## ALL PUPPIES ARE SOLD ON LIMITED REGISTRATION

To promote responsible breeding, all of our puppies are sold on a Limited Registration basis. Limited Registration means that the dog is eligible for registration with the American Kennel Club; however, any offspring produced by the dog would not be eligible to be registered with the AKC. This does not mean that the dog is of lesser quality. It just means that they are ineligible to enter conformation shows or produce registered offspring. They are eligible to enter other AKC events such as hunt tests, agility, obedience & rally trials. Most puppies purchased from Canyon Labradors are purchased as companion dogs by owners who have no interest in breeding or showing; therefore, limited registration will have no bearing on these dogs and their owner.

However, should an owner decide to become involved with showing and/or breeding in the future, limited registration will be a factor. When and if certain necessary criteria are met by the dog and owner, Canyon Labradors can remove the limited designation and allow full registration of the dog. Show potential puppies are sold with a co-ownership agreement in place.

Now it is your turn to ask me questions or tell me more about yourself and your family. The more the better!

Please send this back to me at your convenience.

Thank you for your interest!
